Editorial Comment

CHAMBER OF COMMERCE WEEK

GUEST EDITORIAL

As many historians have pointed out the Dark Ages were not entirely dark. As a matter of fact, it was in the days when knighthood was in flower that the first beginnings of Chamber of Commerce movement can be noted. Tracing the history of the movement can be most fascinating and leafing back through the pages of history it becomes evident that the original model of the modern Chamber of Commerce is to be found in the Fairs and Merchants Guilds of Medieval Europe.

The Fairs of the Twelfth Century were a result of church festivals which periodically drew crowds of people to the towns thus providing them with the opportunity for the exchange of goods, and perhaps for the first time brought merchants of an area together. These fairs declined during the Fifteenth Century due to the establishment of permanent markets in the principal cities.

The Merchants Guilds, with the break-up of the feudal system, assumed a growing importance as semi-public bodies. These were very tightly knit organizations with members of a profession such as the goldsmiths or coppersmiths laying down hard and fast rules for the training of workers and for the establishing of standards. Towards the end of the Fifteenth Century, the Guilds system disintegrated and the first organization of Chambers of Commerce came into being.

The name Chamber of Commerce was first applied to an association of merchants at Marseilles, France, in the fifteenth century, but it was not definitely organized until about 1650. Most Europeans Chamber operated under a measure of government control and indeed many so continue to the present day. They performed such functions as initiating laws regarding factory plans and trade markets, registration and winding up of companies, customs tariffs and transportation regulations. Even today, the London (England) Chamber of Commerce continues to administer the watch import quotas on behalf of the Board of Trade and provides the only independent certificated leather check measurement service to the United Kingdom. In Canada, the Board of Trade Act gives authority to a Board of Trade to license weighers at grain elevators.

The first Board of Trade or Chamber of Commerce organized and conducted independently of any government affiliation in Canada was the Halifax Board of Trade established in 1750. In the United States a New York State Chamber of Commerce was organized in 1768. About the same time, Chambers of Commerce in Great Britian were organized, the first being the Jersey Chamber of Commerce in 1769. From then on, there was rapid expansion of the Chamber movement, particularly throughout the British Commonwealth. Chambers were organized in Cape Town, South Africa, 1861; British India, 1830-1840; and both Australia and Jamaica in 1840. The London, England, Chamber of Commerce, to which reference was made earlier, one of the largest organizations of its kind in the world, was organized in 1881.

Dog Control Meeting Held

Report of Town of Drayton Valley Representatives at meeting in Thorsby to seek a satisfactory Dog Control Program.

On Monday evening, April 5, Representatives of the local Town Council met with municipal representatives from Millet, Leduc, Calmar, Devon, Warburg, Breton, Thorsby and Drayton Valley forths purpose of studying and discussing how dogs may be effectively and properly controlled in the Towns and Villages represented.

It was soon apparent that the same general problems existed in most every center; and the same general remedial ineffectiveness. All were of the opinion that some more effective method would have to be instituted in order to curb the growing problem.

After a prolonged discussion on the problem in which many suggestions, recommendations and ideas were put forward it was finally tentatively agreed to put the following plan into effect:

1. To draft a standard by law for the control and regulation of dogs which would be adopted by all participant municipal bodies. The terms of this bylaw to include:
(a) Licensing fees of $7.50 for each un-neutered dog, $2.50 for each neutered dog
(b) fines for violating bylaw to be $5.00 for first offence; and $10.00 for second or more offences.
(c) More than dogs being harboured in any one residence or establishment to be considered a kennel and then to be dealth with under the zoning bylaws of the Municipal Corporation.
(d) Each municipal body to be responsible for providing for its own pound and pound keeper. Fees to be also arranged between corporation and poundkeeper.
(e) That a dog warden by appointed to cover the municipal corporation particpating equipment approved of by the Society of the Prevention of Cruelty to Animals. Remuneration of this dog warden to be such that it would attract one of ability, integrity and effectiveness. Such remuneration to be made up of a basic per capita levy of the municipal corporations plus a fee of so much per hour of service that the dog warden did for any one corporation.
(f) Emphasis to be placed on a program which would prove effective without being mean or sneaky about making apprehensions.

To enlist the aid of the Society for the Prevention of Cruelty to Animals in formulating the terms and clauses of the bylaw to insure no encroachment on the policies and regulations guarded by this society.

It was the considered hope of this group that, with cooperation of all concerned and effective operations of the program, the dog problem would become minor nature.

Drayton Valley Curling Club News

The ANNUAL MIXED OPEN BONSPIEL brought the curling season in Drayton Valley to almost a standstill as activities at the Club are starting to taper off. The Grant Campbell Foursome took top honors in the spiel going undefeated to capture the HUDSON BAY CO. EVENT. curling with Campbells were Irene Campbell, Ray Wickens and Bea Wickens. 48 rinks in all took part in the spiel competing for some $1,000 dollars in prizes, results were as follows:
HUDSON BAY CO. EVENT:
1st - Grant Campbell
2nd - Grant Schearer
3rd - Ed Huttel
4th - Mike Saff
SIMPSON SEARS CO. EVENT:
1st - Meg Swinnerton
2nd - Loren Nelson
3rd - Barb MacKenzie
4th Jim Selin
ACME NOVELTY EVENT:
1st - Dale Rhyason
2nd - Roy Stred
3rd - Leg Wall
4th - Bert Roos.

The top eight teams in the Mens Curling League Sections with playoff for a set of sweaters, during the course of the year the Mens League has been completed of three sections after each square has been played off the sections would be reshuffled and play resumed.

Each section in this last draw will get a chance to at a set of curling sweaters, the top eight teams in each section will playoff in a straight knockout competition for the Carlings Trophy emblematic of the X Club Championship, won last year by Howard Cathrea. favored this year is the Ken Ewaniak rink, showing their power by winning "A" section twice in a row.

The curling season will wind up with a "ROCK-A-RAMA 65" which will feature a general wind up party for the curling Club, also another feature of the "Rock A-Rama 65 will be the draw for the "599 Car Club Car, other feathres will be a smorgasbord supper from 6:00 to 8:00 during which time the tickets for the car will be drawn. entertainment of various sorts and sizes, presentations, and a full evening of dancing from 9:00 till 1:00 to one of the best orchestras in the coun

Letter To the Editor :-

DR. HORNER, M.P., WRITES REGARDING THE PROPOSED FEDERAL BUILDING.

In view of the recent decision of the Liberal federal Government to cancel plans for a federal building in Drayton Valley, I think it is important that the citizens of Drayton Valley know the sequence of events,

I was able to get the Government to buy land in Drayton Valley in 1963 with the idea that the land would be available so that construction could proceed in 1964-65 for a federal building in Drayton Valley. I felt that with a federal building we might be able to obtain other federal services for the area, as well as give a better and more permanent accommodation for the post office. The Department of Public Works agreed with the Department at that time. After the change of Government in 1963, they stopped the project. Further representa

PAN AM Appointments

Mr. T.C. Landreth. Pan Am. Petroleum Corp.

Mr. J.D. Burns, Pan American Petroleum Corp.

Pan American Petroleum Corporation announces five new appointments in the Canadian Division.

Gus Athanas, formerly Joint Interest Superintendent succeeds Mr. R.B. LeFever as Division Production Superintendent. Mr. LeFever has been tranferred to Houston, Texas.

R.S. Sloan succeeds Mr. S.B. Richards as Division Engineer Mr. Richards has been transferred to Casper, Wyoming. Reporting to Mr. Sloan will be M.R. Montgomery, Staff-Engineer-Plant Engineering, and G.J. Last, Divison Engineering Co-ordinator.

G.J. Last has been named to the newly created position of Division Engineering Co-ordinator. He is responsible for Reservoir Evaluation, Proration and Operations. Reporting to Mr. Last will be C.V. Kloepfer, Staff-Engineer-Reservoir Evaluation; W.G. Trimble, Senior Engineer-Proration; and P.M. Clarke, Senior Engineer-Operations.

J.D. Burns, formerly Area Superintendent, Pembina Area, becomes Joint Interest Superintendent.

T.C. Landreth has been appointed Area Superintendent, Pembina Area.

Mr. Landreth, a naturalized Canadian, was born in Los Angeles, California. He received his B.Sc. degree in Petroleum Engineering from the University of California. Mr. Landreth joined Pan American in 1961 as a Senior Staff Engineer.

Br. Burns, a native of Winnipeg, received his B.Sc. degree in Electrical Engineering in 1950 from the University of Alberta. In 1954 he joined Pan American as a Junior Petroleum Engineer. Prior to his transfer to the Division Office, Calgary, as Joint Interest Superintendent. Mr. Burns held various engineering and supervisory positions in the Canadian Division, serving for the past several years in the Drayton Valley office.

Mr. Athanas, a native of San Angelo, Texas, received his B.S. degree in Petroleum Engineering from the University of Texas in 1940. He has been associated with Pan American since 1939 and has held various professional and supervisory positions in the Lubbock District Office, Texas, prior to moving to the Canadian Division in 1959.

MUNICIPAL ASSESSORS COMMENCE GENERAL ASSESSMENT OF TOWN

This week our Town has been invaded by a goup of people who are interested in learning all about or property. They are going to be probing here, there, and everywhere and sometimes we may even think they are becoming extraordinarily inquisitive, however, we do ask you to bear with them and their probing because it is for our own benefit, for they are making a general assesment of the Town.

A General Assessment is carried out where possible every five of six years and is the best means of bringing everyone's assessment on a par with the existing standard of assessment. And so with everyone's cooperation we are assured of an Equitable shake in the assessment picture of our Town and what is more in our province.

We ask you then to give every assistance to our assesor visitors in order that they may carry out their duties in an atmosphere of cooperation which will expedite their work no end.

REPORT FROM LEGISLATURE

Mrs. C. R. Wood, M. L. A.

The seventh week in the Legislature beginning with Private Members Day on Thursday, April 1st, found W. Dickie (Lib. Calgary Glenmore) moving a resolution asking the Legislature to favor the passage of legislation in the form of a code of Human Rights to include the right to every person to obtain admission to and enjoyment of the accommodation services and facilities available in any place in which the public is customarily admitted regardless of the race, religion , creed, color, or ethnic or national origin of such person or class of person and having offences for violation of the said rights and for discrimination by an employer against any person in regard to employment because of his race, religion, religious creed, color or ethnic or national origin. Mr. Dickie spoke out strongly in support of the resolution in its entirety.

E.P. Benoit (S.C. Okotoks-High River) stated that it is difficult to prepare a Code of Human Rights that is able to cover all situations, especially the specific cases Mentioned inthe resolution. So he moved an amendment removing all the words after the words "Code of Human Rights". This was seconded by Rev. R. Simpson (S.C. Calgary North) who said the only Code of Human Rights was in the Golden Rule.

Glen Johnston (S.C. Ponoka) said there was no need for a Government Code of Human Rights and that this resolution was just a scheme by lawyers to get a lot of work defending people who broke the law.

Premier Manning told of the Bill of Rights passed by the Social Credit Government in 1946 . It was declared ultra virus by the Courts and the Dominion Government has a Bill of Rights, In spite of this if the amended resolution were passed, the government would do its best to have a Code of Human Rights prepared by the next Session. On a voice vote the amended resolution carried.

Next came the resolution moved by W. Dickie and seconded by M. Maccagno asking that a special legislative committee be established to receive representations and recommendations as to the provisions of the Lord's Day Act for the Province of Alberta and that the Assembly give favorable consideration to introducing legislation at this session to allow cities, towns and villages , the right and authority by a majority vote to the Council or a plebiscite of the residents, to permit amateur sport to be played on Sunday between the hours of 1:00 p.m. and 6:00 p.m., withs fee to be charged to such a performance. Mr. Dickie, in introducing the resolution stated that participation in sports such as golf or bowling which are now played on Sunday in Alberta are against the law. He also spoke of people in Calgary and Edmonton asking for commercialised sports and he said, that it was imperative to have Sunday hockey if the game was to regain its prestiage.

Premier Manning in speaking against commercialized Sundays stated that with the shortened work-week, people had other days than Sundays to devote to sports. He said that allowing amateur sports would lead to wide open Sundays as inthe United States and it is impossible to differentiate between commercialized amateur sports and professional sport. He deemed it unwise to take any steps toward commercialization of Sunday beyond what it is today and that any society that abandons its respect for the sanctity of the day of worship hastens the trend to increasing materialism and while his stand might not be popular, he said, "We are not running a popularity contest in this Province." The debate was adjourned by A. Ludwig (S.C. Calgary East).

On Friday Premier Manning announced that there would be no amendment this year to the City Act to allow a new election for Mayor in Edmonton. He gave four reasons why namely - (1) The court Order to uneat Mayor Hawrelak is still under appeal. (2) No request fromthe Edmonton City Council to amend the Act has been received by the Government. (3) There appears to be no unanimity as to what the provisions of the City Act should be and (4) the duty elected members of the City Council have elected one of their number to the position of Mayor to carry on the uninterrupted business of the city.

The Minister of Industry and Development announced that a Ministerial Order will allow a "cooling-off" period between the time a householder makes an agreement with a salesman and the time the contract goes into effect. It allows the householder four days to change his mind in a purchase from a door-to-door salesman.

The Committee of the Whole Assembly settled to clause by clause study of Bills. A Bill to amend the Magistrates and Justice Act will put Alberta in line with other Provinces and it provides that no Magistrate can remain on the bench after 70 years of age unless given special extension of his term by the Cabinet. In these cases the Magistrate must retire at the age of 70 Magistrates over 70 now, and on the bench will be permitted to remain until they are 75.

The Bill to amend the Solemnization of Marriage Act caused considerable discussion. It compels every married couple to have a marriage license. In some Churches up to now, all that was required was the reading of the banns three times. This can be continued, but a license is required as well under the amendment.

Monday afternoon, Miss Japan-Canada Friendship and group of Japanese press television and magazine representatives were guests for a short time in the Speakers Gallery. Miss Hiroko Koba was introduced by Hon. A. R. Patrick, Minister of Industry and Development. Canada's Department of Trade and Commerce and a Japanese Public Relations firm promoted the Friendship tour costing $100 000 to promote Canada's tourist trade Fair April 16 to May 6th and to promote travel to Canada and also knowledge of Canada.

Another guest in the gallery was Wm. Switzer and the M. L. A. Elect for Edson Constituency who was introduced by M. Maccagno, leader of the Opposition.

Hon. Dr. Ross, Minister of Health had a rough time getting two Bills through the Commitee of the whole Assembly. The Optometric Dispensers Act regulates the practice of supplying, preparing and adjusting of eye-glasses and contact lenses, upon the a prescription of an optometrist or medical doctor who is an eye specialist. It incorporates an Alberta Guild of Ophthalmic Dispensers as a regulatory and disciplinary body for those practicing as such.

THIS MAN'S DISABILITY INCOME STOPPED TOO SOON

Many plans available to-day provide an income for short periods only. But disability statistics indicate one in three of us will be disabled for 3 months or longer before age 65 and the average length of disability will be nearly five years—30% will be permanent.

Manufacturers Life specializes in providing income not only *when* you need it but for *as long as* you need it. Our Personal Income Protector Plan is a flexible policy to which can be added a unique stepped benefit. This flexibility puts long term income protection within the means of many who could normally afford only short term protection.

Ask the Manufacturers Life representative for more details.

Fill in & mail this handy coupon.

The Chapel Hour

Easter

Patience Strong

This is our creed: that God's own Son was sent on earth to pay — the price of our salvation, and to show lost souls The Way — buying our redemption on the cross of Calvary — marking out the path of wisdom, peace and charity.

This is our faith: that Mary found an empty sepulchre — and as she wept in sorrow there the Lord appeared to her . . . He, the Christ, had risen in the quiet morning hour. He the King of Light and Life had broken Death's dark power.

Mourner, this is Eastertide, the resurrection day. Turn to Him in faith and He will wipe your tears away. He has proved the final truth of immortality. Love survives the change called Death. Love lives eternally.

The Upper Room

Edgar A. Stickney

Enter, Lord, the upper room
Of my heart.
Break the Bread of Life to me —
My Lord Thou art.

Let me lean upon Thy breast
And list to Thee;
Speak again those gracious words
So dear to me.

Let me drink the mystic cup
Poured out by Thee,
Everlasting symbol, Lord —
Thou lovest me.

Let me not, as Judas did,
Betray my Lord;
But let me ever witness Thee,
Thou Living Word.

Copyrighted and used by permission of the author.

Resurrection Morn

Minnette Lockner

Out of the depths of darkest night,
Dawn's faint glow, then radiant light,
Wake O world to a new day born,
It is the Resurrection morn!

Christ did not die on Golgotha's hill,
He lives and loves and is with us still,
The loved Master whose victory
O'er death's dark shadow set us free
From fear and doubt and mortal strife
And revealed to us eternal life.

Spring breaks forth with a thousand voices:
Heaven sings and earth rejoices,
And mighty mountain and humble clod
Join us in hymns of praise to God.

Easter Pastel

Marguerite Arabel Wing

Tears—And a lily-scented hush,
Gethsemane in prayer.
Pain—And the test of Calvary,
The earthquake and despair.
Death—And the sealed sepulchre
The silence and the gloom;
Dawn—And the angel standing
Beside an empty tomb.
Joy—And the Master smiling
Amid the lilies tall.
Life—And the Christ triumphant,
Master, Lord of all!

The force of Christianity lies in the fact that it reveals to men the greatness of which they are capable, and the fact that no squalor or wretchedness of circumstances can bind the thoughts of man, if it is set upon what is high and pure. The man or woman who sees the beauty of inner purity cannot ever be very deeply tainted by corruption either of body or of soul.—A. C. BENSON

Who's New?

Week of April 4 to 10, 1965

Apr. 4 Mrs. Allen James HUGHES, (Neatie) girl, 5 lb. 16 oz. Buck Creek,

UNITED CHURCH W.A.

The monthly meeting of the United Church Women was held on April 6th at 2 p.m. in the Church basement. The C. G. I. T. and Explorers were our guests for a very colourful movie on Trinidad. Reports were given and final plans for the bake sale were made. Boxes are going to be placed in various stores for your discarded nylons which will be sent to Korea.

He Satisfieth the longing soul
Psalms

And I smiled to think God's greatness flowed around our incompleteness.
Round our restlessness His rest.
Elizabeth Barrett Browning

The Almighty will be thy treasure.
And precious silver unto thee
Job

SO—We Got Ourselves A Cause !

EDITORS' NOTE: The following article re. "GET YOURSELF A CAUSE....." was taken from 'INSIDE' a publication put out by 'Gateway', University of Alberta student paper. The article re. the Bishop was taken from 'The Canadian Churchman' "Stalin's Letter....." might be called OUR CAUSE. So. take your choice, or make your own cause.

GET YOURSELF A CAUSE BUDDY, OR YOUR LIFE WON'T HAVE NO MEANING

by Myron Johnson

(To my maternal grandfather, for not being bald)

One day a man on a horse came riding up, waving a white flag with a red maple leaf on it and singing God Save Our Canada.

"Come join my cause," he shouted to us.

"What is your cause?" I asked him.

"A man had a wife had a cow, a love story," he answered.

"Excellent," I said. "That's exactly how I feel." And I jumped up behind him.

My father wouldn't come. "That's a Stein's throw away from my philosophy," he said.

"Who are you?" I asked, as we rode away.

"I'm the bastard son of Louis Riel," he said.

"That isn't a legitimate answer," I told him. "What's your horse's name?" I asked.

"Jesus Christ," he said. "He was a good horse once but he's old and practically useless now."

"Jesus Christ," I shouted, "get moving."

"He can't go any faster," the man said. "If you want to get anywhere, you have to get off and walk."

"Then why are you riding?" I asked.

"It's easier," he said, "And more comfortable. And besides, you don't have to go anywhere when you're looking for a cause. Causes come to you."

"Precisely," I said.

"Well, not always precisely," he answered. "But then, causes are more fun if they're not too precise."

"Jesus Christ," I said, "you're a slow horse. Why does he go so slow?" I asked.

"He picked up a nail in his hoof," the man said. "No one has ever bothered to pull it out."

"Why don't you?" I asked.

"Me?" he said. "Why me? I'm comfortable enough. The nail isn't hurting me. Besides, I told you, we don't really have to go anywhere."

"That's right," I said. "Tell me, what does the flag have to do with your cause?"

"Flag?" he said. "That's no flag. That's just a rag to wipe the sweat off my brow. What do I need a flag for when a man had a wife had a cow, a love story?"

"Precisely," I said, and kicked Jesus Christ in the ribs.

An Open Letter From J. Stalins Nether Secretariat

cold was the wind
cold was the heart
of J. Stalin.

he knew that the
cold wind was blowing
cold snow into cold drifts
covering cold graves
of cold corpses
of ten million
men and women and children
that he had killed.

yes, he had killed them
and for a reason too.

they would not renounce
their stupid pig-like faith
in Someone they called Jesus.
they would not say
that the State was god.

liquidate the heretics
fill the cold graves
with cold mouldering corpses.

laugh you stupid idiots
laugh long and loud
on your march to Selma

Selma has proved
what fools you are.

I give men and women
a vote
but they vote for me
or by god they die.

and the world marks not their death
neither knows nor cares
that ten million or more
have died
trying to vote
for someone else but J. Stalin
or his heirs and assigns
nor do they picket our embassies
in Canada or elsewhere.

march you stupid asses
march and set the world
in turmoil.

then they won't look at us
at J. Stalin & company
and we will do what we have done
for full fifty years.

we will make them march
march them to their graves
if they dare to say
that J. Stalin and company
are no gods
if they dare to say
they will not vote for us.

march in your thousands
your stupid thousands
to Selma

I am not alone
full ten million corpses
bony skeletons
grin at me
from full ten million graves

they did not march to Selma
they marched to death.

a misguided leader
proclaims the
great society.

I made the great society
I co-joined full ten million
men women and children
in death.

for you I have reserved
the same last march.

cold blows the wind
cold are the hearts
of Karl Marx disciples.

prate on
about the brotherhood
of man.
I have buried ten million
of my brothers
in the cold ground.

you, my brother,
I will bury also
when the time is ripe
when you have marched
to Selma
to the Selma's
of the future.

Art, Playford.

Toronto's Suffragan-Bishop and Professor Harpur of Wycliffe College

For the first time, so far as Canadian Churchman has been able to ascertain, a Canadian Anglican Bishop has taken part in a demonstration supporting the civil rights of Negroes in the United States.

The Rt. Rev. Henry R. Hunt, Suffragan-Bishop of Toronto, did so in Toronto on Friday, March 12.

The American consulate in Toronto was besieged for a full week by university students, clergy and other sympathizers, demanding civil rights for Negroes in the southern U.S. (Toronto Star photo)

4-H Club News

Sorry for the mistake but the winner of the 4-H Garden Club pool was not Marlene Suetter but Eugene Urchyshyn.

On April 8th the 4-H Garden Club was honored with the appearance of Mrs. Atkinson who gave a talk on gardening. Mrs. Vocuk spoke on parliamentary procedure.

Reported By
Sonia Urchyshyn

Air Cadet

WHITECOURT CADETS VISIT D.V. - The Air Cadets Squadron from Whitecourt visited the Drayton Valley Cadets last Sunday. The purpose of the visit was competition competition in curling, bowling and shooting. The Drayton squadron visited Whitecourt for similar purposes about six weeks ago.

The Whitecourt squadron boys seemingly were not so successful ain the competitions at home and they came here decided to do something constructive about the unsatisfactory state of things. And they did do something. They captured the honors in bowling and curling while the host squadron carried the honors in the shooting competitions.

All in all it was a very pleasant day for everyone concerned. The competitions under the direction of the Commanding Officer of the local Squadron, Maurice R. McCullagh were completed before 6:00 p.m. After this all members of t both squadrons sat down to a tasty meal prepared and served by the Ladies of the Legion Auxiliary.

The Whitecourt Squadron was under the command of F/O B.G. Moore who addressed the goup after the evening meal.

There is a possibility that a field day might be organized for the Drayton Valley and Whitecourt squadrons some time before the summer holidays. If this comes about it will in all likelihood be held in Whitecourt.

A regular checkup is your best insurance against cancer; an annual cheque to the Canadian Cancer Society is your best assurance that cancer will one day be defeated.

The Canadian Cancer Society is a major supporter of research on leukemia in Canada, devoting at least 25 per cent of its research funds to leukemia-related projects.

More than 25,000 Canadians will die from cancer this year. Your support of the Canadian Cancer Society campaign will hasten the end to the ravages of this disease.

LETTERS TO THE EDITOR.

Cont. from page 1. col.3.

tion was made to the Minister of Public Works, the Honourable J. P. Deschatelets and the project was back on the rails again. Since Mr. Deschatelet's resignation as Minister, the new Minister the Honourable Lucien Cardian has ordered a halt to construction plans, and has negotiated an additional lease of the post office in their present building. The government is now committed to this lease and it would appear that a federal building for Drayton Valley is at least three years off.

I am very sorry to have to report this to my constituents.

Yours very sincerely,
H.M. Homer, M.D, MP.
Jasper - Edson.

DRAYTON VALLEY CURLING CLUB NEWS.

Cont. from page 1. col. 2.

try. The event will be held on May 7th Friday with tickets for the gala evening going at 2.50 per person and it will be limited to the first 250 per couples. Tickets will be dispersed through the executive of the Mens and Ladies Curling Clubs. We urge you to get your tickets early as there will be no tickets sold at the door and tickets sales will end May 4th. All this will take place in the main Hall Room of the Drayton Valley Curling Club.

DON'T T FORGET "ROCK-A-RAMA 65" on Friday. May 7th.

Chemotherapy, or treatment with drugs, is a major field of cancer research and is one of the avenues being explored by research supported by the Canadian Cancer Society.

Contributions to the Canadian Cancer Society campaign help control cancer in three ways. They support research into the cause of cancer, provide for a public education program, and allow volunteers to assist cancer patients.

During a recent mobility test at Calgary, a jet helicopter lifts the 2000 pound radio building to an isolated site near the southern city.

The assurance of non-stop, across Canada communications has been further reinforced with the completion of ahighly mobile, microwave restoral unit now in standby service at an AGT site in Alberta.

The quarter million dollar unit, composed of two fully operational fibreglass skinned polystyreme buildings fitted with power and radio equipment in addition to a portable, 250 foot tower, is capable of being moved by conventional trailer or to inaccessible areas by helicopter.

Supplied by Alberta Government Telephones, the emergency unit will be one of the four western provinces microwave communications arm of the Trans-Canada Telephone an Network.

In the event of tower failure resulting from winds, storm, or other reasons, the unit will be quickly moved to the tower site. The 11,300 pound tower and four 4 dish antennas eight feet in diameter will be immediately erected and used in conjunction with the two plastic radio and power buildings until damage is repaired.

AGT Officials estimate they could restore microwave service anywhere in the Western provience within 18 hours after arrival on site.

Covered by the standby complex and approximately 60 towers in British Columbia, Alberta, Saskatchewan, and Manitoba capable of simultaneously carrying 1,200 long distance telephone conversations and one television network broadcast.

It is expected the restoral unit will ultimately be based at an Emergency Measure Organization site near Red Deer ready for immediate service.

During its April campaign the Canadian Cancer Society seeks $4,311,175 to finance its three-fold program of research, public education and services to cancer patients.

The Canadian Cancer Society last year provided education materials to 4,350 industrial plants, including 416,854 pamphlets. Contact was made with 778,487 employees.

About 200 top-ranking Canadian scientists, working in 28 universities and research centres, are currently receiving research support from the Canadian Cancer Society.

Eighty per cent of the money used by the National Cancer Institute of Canada for cancer research comes from voluntary contributions to the Canadian Cancers Society.

During 1964 more than 5,700,000 free cancer dressings were provided by units of the Canadian Cancer Society to cancer patients throughout the country.

THE PAWN

SELF ANALYSIS QUIZ

How Much Do You Know About People?

by Jane Sherrod Singer

Considering we live with people, most of us are woefully confused about what makes ourselves and others tick. Try your knowledge on these points that have been established by research studies.

	TRUE	FALSE
1. Rich people are not as friendly as poor people.	( )	( )
2. More people fail in life because of personality difficulties than because of a lack of education.	( )	( )
3. Those in a high social class mature, mentally, physically and emotionally earlier than those in lower social strata.	( )	( )
4. Women are more extravagant than men.	( )	( )
5. Hunger and/or anxiety make a person want to be alone.	( )	( )
6. Manual workers live longer than the White Collar group.	( )	( )
7. The brain works faster when a person is sitting.	( )	( )
8. Most people sleep best in a completely dark, soundless room.	( )	( )

ANSWERS:

1. FALSE. Studies from several universities agree that people from the middle and upper income brackets have more friends and acquaintances than those not so richly endowed financially.
2. TRUE. In a survey of hundreds of top executives, they listed personality factors 11 times more often for the failure of their employees than they did lack of knowledge or education. Specifically they mentioned inability to get along with others, laziness and undependability.
3. FALSE. The University of Chicago stated, "The higher the social class, the later in life each group reached of these events, leaving home, holding a job, marriage and having children."
4. FALSE. The University of Wisconsin studies show that women are more cautious about money than men and tip less.
5. FALSE. A leading university says that not only do hunger and anxiety create a craving for company, but that the urge to be with others increases as the person becomes hungrier or more worried.
6. FALSE. Insurance companies have shown that office workers live longer than those who earn their living with their hands. The reasons given are that the professional or "brain workers" enjoy higher incomes, and thus better standards of living and protections against disease. The man behind the desk is also less vulnerable to severe accidents encountered on the job.
7. TRUE. Reflective and imaginative thinking, according to studies are best done while lying down. Fast quick and short thoughts come fastest when a person is standing.
8. FALSE. The investigators at Indiana University found that most people sleep best in a room with a little light and a little noise. A completely dark and sound-proof room increases muscular tensions which, in turn, increases circulatory activity.

PUBLIC NOTICE

Notice is hereby given that under authority of Sections 396 and 403 of the Town and Village Act of Alberta and amendments thereto, the Council of the Town of Drayton Valley, intends to proceed with the construction of the project as shown on the schedule below:

THE TOWN OF DRAYTON VALLEY
BY-LAW NO. 335
Schedule "A"

17.	50 St.	50 Ave.	512'South	28	612.00	
			TOTAL		6,345.41	2,475.49

2/ Total Assessment Against:
   All properties fronting on 2" pavement — 42,704.61
   All properties flanking on 2" pavement — 4,752.94
   TOTAL — 47,457.55

3. Total Assessment Per Front Foot Against:
   All properties fronting on 2" pavement — 6.73
   All properties flanking on 2" pavement — 1.92

4. Annual Unit Rate Per Front Foot of Frontage to be payable over a period of fifteen years:
   On properties fronting on 2" pavement — 0.69
   On properties flanking on 2" pavement — 0.19

5. Total Yearly Assessment Against all Above Properties
   Properties fronting on 2" pavement — 4,097.00
   Properties flanking on 2" pavement — 4,795.10
   TOTAL — 4,892.10

The cost of the project will be charged against the properties fronting or abutting and shall be undertaken as local improvements. The special assessments will be payable as either a pre-payment or over a period of fifteen (15) years. Unless the majority of the owners of the land that may be assessed, representing half of the value as aforesaid, object the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objection are received the Council will proceed with this project at its discretion but within two years. Final reading of the by-law will be given as soon as all approvals have been received.

TOWN OF DRAYTON VALLEY
April 7, 1965

W.G. JOHANNESON
Secretary- Treasurer

Scoop's NOTEBOOK

BY: ART PLAYFORD

The Lackie boys might be called the Lucky Boys. . . .

Poppa and momma Lackie are leaving them in Jasper for a week at a Skiing School

Al. Jouan is now a Businessman. He has bought the B.A. station at the Hotel on the Highway at Smoybrook.

A HANDYMAN TO HAVE AROUND DEPT. . . . . .

Just occured to me, after attending a large number of meetings of various kinds in Drayton Valley. . . .

We might call Harry Zolmer "The Adjournment Specialist

Was talking with Constable Bill Saunders last Sunday, in Fort McMurray, Bill asked us to say "Hello" to friends here.

As of April 1st, the RCMP have taken over the policing of the Town of Fort McMurray.

Staff now stands at four, and is to be increased by at least one more man very shortly.

Saturday night in McMurray, was a real BOOMER. Some 66 visiting Elks had chartered a plane and were doing the town.

A little after midnight, Saturday they all started bugling and the "Call of the Wild" had nothing on them.

Staying at a hotel and safely tucked in bed and asleep at about 2. a.m. Sunday we were rudely awakened by one hell of a noise in the hall.

Finally we opened the door to see what gives and an Elk, leaning against the door for support, came rolling into the room.

But the town will not need visiting lodges of any kind to give police a real busy time, come summer.

We can quite safely predict that there will be plenty of alcoholic action.

Funeral

Death came to Clarence A. Cotham after a long illness, Friday, April 9th, when he passed away in Misericordia Hospital in Edmonton. He was 54 years of age at the time of his passing.

Mr Cotham was General Manager of Acme Investments, the holding company that owns Drayton Valley Hotel.

He leaves behind his wife, Mrs. Eileen Cotham, a sister, Mrs Hazel Shuttleworth, of Winnipeg, a brother, Ernest, of Winnipeg, and a brother, Albert, of Detroit.

Funeral services were conducted by Howard-McBride, with interment in Evergreen Memorial park.

Most of the support for cancer research program of the National Cancer Institute comes from voluntary contributions to the April campaign of the Canadian Cancer Society.

PRINCESS TALKS MOVIES WITH BEATLES—Accompanied by a traveling companion (dark glasses), Princess Sorsya (second from left) discusses movie making with the British Beatles at their location site at Nassau, The Bahamas. The Beatles are (from left) Ringo Starr, Paul McCartney, John Lennon and George Harrison. Movie is "Beatles II."

COOKING MAGIC

Tested Recipes and Meal Planning Ideas Prepared for Pembina News Advertiser Readers by the Home Service Department of Northwestern Utilities, Limited

SPRING CHICKEN
CHICKEN BIRDS ROSEMARY
6 chicken breasts
6 very thin slices boiled ham
1 3/4 cups packaged herb seasoned stuffing
1 tbsp. fresh rosemary or 1 tsp. dried rosemary
Dash pepper
3 tbsp. flour
1 can cream of chicken soup
1/2 cup milk
2 tsp. rosemary

Have meatman bone and skin the chicken, then pound until of an even thickness, about 3/8 inch. Sprinkle chicken with salt and place a slice of ham on each piece. Prepare stuffing according to package directions for dry stuffing, add rosemary, and dash pepper. Top ham with stuffing (about 2 tbsp. for each bird.) Roll each. Fastening with toothpicks, or sewers, then tie with string if necessary. Brown slowly on all sides in 1/4 cup hot fat in a skillet, about 20 minutes, or till golden. Lower heat, add soup, milk and rosemary, cover, and cook until tender about 35 minutes. Serves 6.

CRUNCHY OVEN CHICKEN
Melt over low gas flame - 1/3 cup butter or margarine. Combine - 1 1/2 cups crushed potato chips, 1/4 tsp. garlic salt. Dash pepper. Dip in melted butter then in potato chip mixture, 1 2½ to 3 lb. frying chicken. Place pieces, skin side up, so they do not touch in greased shallow baking pan. Sprinkle with paprika. Bake uncovered in 375oF. Gas oven for 1 hour, (do not turn) Serves 4.

CHICKEN CACCIATORI
1 2 lb. frying chicken
1/4 cup olive oil
2 medium onions, minced
1 clove garlic, minced
2 green peppers, minced
1 red pepper, minced
2 1/2 cups canned tomatoes
1 small can tomato paste
Prepare chicken and fry over medium gas flame until golden brown in olive oil. Add onion, garlic, green and red peppers; brown slightly. Combine tomatoes and tomato paste. Add to chicken mixture. Cook over medium gas flame until chicken is tender, and the sauce is well blended, about 30 minutes. Serve with spaghetti, if desired. Serves 6.

COMPANY CHICKEN NODDLE BAKE
8 oz. wide noodles
1 can condensed cream of mushroom soup
0/3 cup milk
1/2 tsp. salt
1/2 tsp. poultry seasoning
2 3-oz. pkgs. cream cheese softened
1 cup cream style cottage cheese.
1/3 cup sliced stuffed green olives
1/3 cup chopped onion
1/3 cup chopped green pepper
1/4 cup minced parsley
3 cups diced cooked chicken or turkey
1 1/2 cups buttered soft bread crumbs

Cook noodles in boiling water till tender, drain. Rinse in cold water, Mix next 4 ingredients, heat. Heat cheese together; stir in next 4 ingredients. Place half the noodles in an 11 1/2 x 7 1/5 x 1 1/2 inch baking dish; spread with half the cheese mixture, half the chicken and half the soup. Repeat the layer Top with crumbs. Bake in 375oF. oven for 30 minutes or until heated through. Trim with pimiento strips.

Let stand 10 minutes. Serves 8.

FRICASSE OF CHICKEN
1 chicken, cut in pieces
2 small onions
Salt and pepper
4 tbsp. flour
6 tbsp. water
Onion
Singe and wash chicken. Cover with water add salt, and onion and simmer until chicken is tender. Arrange Chicken in a casserole. Mea Meanwhile thicken the broth (3 cups) with the flour, and cold water mixed to a paste and boil about 5 minutes. Pour this over the chicken. On top t drop baking powder biscuit dough. Bake at 425oF. about 15 minutes or until biscuits are brown and fluffy. Or leave chicken in sauce pan. Drop dumplings on top. Cover and simmer 20 to 30 minutes.

Oil Wives' MEETING

72 members. 2 new members and 5 guests gathered April 12 at the Cardium Room to share a delicious Easter dinner. Baskets of Easter Egg bunnies centred each table. Our Friendship Candle graced the head table. April is designated as International Night and this candle is lit to honour our Association and it's membership. As it burned throughout the meeting, we were asked to think about it's purpose - Fostering Friendship

2nd Vice-President Jackie Timmins presided over the business meeting during which a spoon was presented to Shirley Tolchard who is moving to Edmonton. The presentation was made by Dot Booker. Shirley is a Charter Member of our club and has always been a very active one. She is a Past-President and has served in many position on executive and on many committee.

Our guest speakers for the evening were Mayor Howard Pickup and Chief Constable Al Miles. Mayor Pickup gave us a short informative talk concerning the duties of council and what is involved in running a community of our size. Chief Constable Miles spoke on the problems of juvenile policing.

During coffee time we were presented with hat forms and bits of this and that and asked to design an Easter bonnet. The hat voted by the judges as most likely to succeed in the Easter Parade was created by Myrtle Haire. Donna Desjardins, Anita Ewaniuk and Elaine Ryerson.

SIMPSONS-SEARS

SIMPSON-SEARS CONTRIBUTES $1½ MILLION TO EMPLOYEES' PROFIT SHARING RETIREMENT FUND

More than one and one-half million dollars out of 1964 profits have been contributed by Simpsons-Sears to its Employees' Profit Sharing Retirement Fund, it was announced today.

The contribution of $1,669 974.00 is the largest in the 1963 year history of the fund. This is $585,948 greater than in 1963 and more than double the amount contributed in 1962.

Since 1962 the company's contributions has been on a rising scale. The scale calls for a minimum contribution of 5% rising to a maximum of 10% depending on the amount of profit earned. Previously the contribution was a flat 5%. In the three years that the rising scal has been in operation the company has contributed $1,385,532 more than it would have under the 5% flat rate.

Total balance to the credit of members' accounts at the end of the 1964 fund year was $17,704,633, an increase of $3,166,953 over 1963. Interest and dividends on the fund's investments during the year amounted to $663,559. There was an appreciation in the value of investments of $2,908,704. Members hold 510,720 Simpsons-Sears Limited Class "A: shares and 202,602 shares of Simpsons, Limited.

Membership in the fund is open to Simpsons-Sears employees with a minimum of one year's service. They deposit 5% of earnings up to a maximum of 500 a year. The 8,779 members last year deposited $1,723,044. Ninety-eight percent of eligible employees are members of the fund.

Simpsons-Sears Profit Sharing Retirement Fun d is designed to enable employees to participate in the largest way possible in the ownership and growth of the company, and to provid vide for income on retirement.

Modern etiquette

By Roberta Lee

Q. Just what are the functions of the spoon when served with coffee or tea?

A. The spoon is for the purpose of stirring the beverage, and NOT for conveying the liquid to you mouth. It should never be used to sip the beverage spoonful by spoonful. After stirring, the spoon should be placed on one side of the saucer—never, of course, left in the cup.

Q. Are there ever exceptions when a letter of condolence may be typewritten?

A. If you are writing to a person whom you have known only through business, it is all right to type the letter. Aside from this, letters of condolence should be written only by hand.

Q. How many attendants does the bride usually have at a home wedding?

A. The most fashionable home weddings include but two bridesmaids and a maid-of-honor—and many of them have no bridesmaids at all.

Q. Should birth announcements be mailed to near relatives, as well as to friends who might not otherwise know of the baby's arrival?

A. Usually announcements to one's own family and to close friends are phoned soon after the baby's arrival. However, if one has some especially attractive or unusual cards, the parents might like to have them at hand.

REPORT FROM LEGISLATURE

(Cont. from Page 4, Col. 6)

Another Bill repealed and replaced the Venereal Diseases Prevention Act which has been in force since 1917 with few changs About the only new feature is enabling a scheme to be set up to ensure free treatment of venereal diseases cases by private physicians who will be paid by the Province.

Labor Minister R. Reierson announced that a uniform minimum wage of $1.00 an hour will be law within 15 month. On July 1st, the minimum wage for workers in centres of 5000 population or more will be raised to $1.00 an hour from the present 85 cents. In centres under 5000 population, workers will get the same rate in stages. On January 1, 1966 it will be 95 cents and on July 1st 1965, at $1.00. On January 1st 1966 a 54 hour week will be province wide and worl ers will be paid regular wages from Christmas Day, New Year's Day, Dominion Day, Labor Day and Good Friday.

A Bill giving more powers to the government over charitable fund raising was passed in principle. Small local fund drivers such as those for churches will not be effected by the legislation. Hon. L. C. Halmrast, Minister of Welfare a said thenew bill is not to stop campaigns which benefit many small communties It is, he said to provide safeguards inlarge appeals and allows the Provincial auditor to make an audit of the books of any large charitable organization.

The resolution asking for a Provincial Lord's Day Act was debated pro and con by the large numbers of Members and on a standing vote was carried 42 - 15 that consideration would be given to presenting a Lord's Day Act at the next Session.

Another resolution moved by M. Maccagno (Lib. Lac La Biche) and seconded by F.L. Gainer (Coalition Banff-Cochrane) asked that the Assemblygive favorable consideration to the naming and development of an Inland Provincial Park in Lac La Biche. "The Winston Churchill Island Park" and dedicating it to the use of the people of Alberta for their benefit, education and enjoyment to and to ever remind them of the indomitable, courageour spirit and moral leadership of the late Sir. Winston Churchill .

Mr. Maccagno stressed his pleas by photographs of the wild fowl life on this island and its white sandy beaches and by a large map of the island. The motion carried unanimously by a voice vote.

Wednesday was devoted to the clause by clause study of Bills for the afternoon and evening sessions. Heated discussion took place when the Act to Amend the Credit Union Act was before the Committee. The Opposition Members questioned the auditing of Credit Union with Hon. A.R. Patrick defending the matter.

Under the Cooperative Association Act Amendments are made to lowe the membership from 10 to 6 members in Machinery Cooperatives and reserve funds must be set up in Rural Electrification Associations in order to have funds for rebuilding of line lines etc.

The Expropriation Procedure Act is amended to enable that Public Utilities Board to make an interim payment to surface owners for pipe lines and at the end of construction of the line , the final payment is made.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN:

Important Message from (Name of Editor) of the (Name of Weekly Newspaper)

How you can help to give enterprising young Albertans the credit they deserve

I'm proud to be one of the many weekly newspaper editors who, every year, receive nominations from readers, for Alberta Junior Citizen of the Year Awards. After all, isn't it true that meritorious conduct on the part of our youngsters deserves to be recognized? This is why I'm glad to hear about young people who you - my readers - believe deserve these Junior Citizen Awards. It may be an individual, or it may be a group of two or more (don't forget, there's a special award for groups).

How do our young people qualify? Well, good citizenship takes endless forms! Physical heroism. Community work. Undertaking exceptional responsibilities in the home. Church work. Going out of one's way to help someone in difficulty. I could go on for several columns! The important thing is, if you know of enterprising youngsters between 6 and 16 years, who have done something worthwhile since August 1964 ...

Just tell me about them

Be sure to include your own name and address. Nominators of winners are entitled to nominator certificates. Remember, too, all youngsters nominated will receive certificates of recognition. Contact me by letter, phone, or in person!

A. Playford,
DRAYTON VALLEY BANNER.

The Alberta Junior Citizen of the Year Program is sponsored by Alberta's investor-owned electric utility companies, with the co-operation of Alberta's Weekly Newspaper Editors.

Recreationally Speaking

RECREATIONALLY SPEAKI ING: A. R. A. CONFERENCE The Annual Convention of the Alberta Recreation Association was held at the Coma Hotel in Edmonton on April 8, 9, 10. The convention program got under way Thursday afternoon and closed out Saturday, with a banquet and a social evening. The function was very well attended with delegates coming from every part of the province. C. D. Fuhr and the local Recreation Director represented Drayton Valley at this convention.

The key not speakers at the convention was Dr. P.F. Bargen, Superintendent of the Edmonton Public School Board. He addressed the gathering on the basic objectives of Education as they relate to the individual and to Leisure time. Dr. Bargen brought to light the blending of the philosophies of Education and Recreation as two of the many ethical disciplines of our times. He pointed out the role that Education would have to play in the future of Leisure and the role that Leisure will play in the future of Education.

Another phase of the program dealt with leadership problems in the general Re creation filed. Something is being done in the Development of a continuing and progressive leadership system which can be carried out at the communitylavel. This system if and when adopted on a provincial basis should compliment and perpetuate the already existing and may we add excellent leadership schools, courses, and clinics being presented by the Recreation and Cultural Development Branch of the Provincial Government as well as those made available to us through the Physical Fitness and Amateur Sports Legislation on a Federal basis.

This was a very fine convention. It was without a doubt the best we ever experienced in the A.R.A. The convention was not the universal problem solver of all phases of the wide and baried field of Recreation but I believe it did set the stage to answer the therr theme question. "Which Way Leisure"? In other words, Recreationist - - Where do we go from here? I think some ground work was done toward expounding new and more satisfactory philosophies that will guide the Recreation leader in his future work in the constantly and rapidly changing world of our day.

BASEBALL COACHES CLINIC A Coaches Clinic for all those interested in furthering the cause, of baseball in Drayton Valley and District will be held in Saturday, April 23, 1965. The Clinic will be held in the local Recreation Office and will get under way at 1.00 P.M. It should last until approximately 5:00 p.m. The Chief Instructor at this Clinic will be Doug Ramse who has coached the Drayton Valley Juvenile teams and has been instrumental in the organization and promation of Minor Baseball during the past three years. Assisting Doug will be George Lecky and Ken Machan. Neither man needs any special introduction to the local baseball faithful. Over the years their individual records speak for themselves.

Anyone interested in this clinic should contact the Recreation Office at their earliest possible opportunity. Deadline for all registrations will be midnight, Friday, April 23. There will be no charge for this instruction, however, we must have at least six people, committing themselves to attend, bther wise it would not be a very practical venture.

Library News

Your Library board invites you to take your coffee break in the Library on Thursday morning. Coffee will be served from ten a.m. until noon.

Mr. deGeest has made a number of signs for the interior of the Library. Thank You, Mr. deGeest.

You are reminded that the Library will be closed on Good Friday and during Easter Week. Books may be left in the book chute.

D.V. Highlights

By: Edith Deby

Mrs. Waugh Sr. had the misfortune to break her wrist when she fell last week.

* * * * * * * * * * *

Mrs. Frank Hazzard attended a district dance two week ago wearing a lovely fur jacket. Some person, or persons, Unknow, felt that their need was greater than Mrs. Hazzard's and at home time no fur jacket was to be found.

* * * * * * * * * * *

Mr. and Mrs. William Johanneson and family will visit Mr. Johanneson's parents in Manitoba during the holidays.

* * * * * * * * * * *

Mrs. Samuel Wallace is a patient in Drayton Valley Hospital

* * * * * * * * * * *

Death came last Monday to Mr. Edward William Langford of Edmonton. He was ninety year old. Many residents of Drayton Valley will have known Mr. Langford as he was the founder of the Langford Park Store and Post Office located on a section of Highway 16 which is now by passed.

He is survived by his widow, three sons, one of whom now owns the Langford Store and two daughters, One daughter is Mrs. George McMorris of Drayton Valley.

HOSPITAL AUXILIARY

The regular meeting of the Hospital Auxiliary was held on April 8, 1965. There were thirteen members and one guest present.

The auxiliary will hold a cash bingo in the Elk's hall on Wednesday, April 21, 1965. It was also decided to have the Florence Nightingale tag day on Saturday May 8th 1965. There will be the usual tea and open house at the hospital on May 12, 1965 in honor of Florence Nightingale. Everyone is most welcome to attend. Mrs. Koehler of Yvonne's flower shop has kindly offered to donate flowers for the tea which will be raffled there. Also Mrs. Marion Palmer will arrange for the millinery clam to display the hats they made at this tea. This year the auxiliary will again be giving a silver spoon to the baby born on Florence Nightingale day or the nearest day to it.

The next meeting of the Hospital Auxiliary will be held on May 13, 1965 at 8:00 p.m. in the nurse's residence. Anyone interested in joining or coming as a guest please contact Mrs. Ida Cross at 542 - 3982.

Viruses may play an important role in inducing some types of cancer in human beings. Research to explore the possible role of viruses in cancer is among the projects supported by contributions to the Canadian Cancer Society.

NURSING HOME POSSIBLE FOR DRAYTON VALLEY

The Chamber of Commerce appointed committee to investigate the possibilities of obtaining a Nursing Home for this area has done a tremendous job....with the result that a Nursing Home is a very definite possibility in the near future.

Following a report by Drayton Valley Municipal Hospital Business Administrator Lyt Krauter that beds in the hospital were being occupied in increasing frequency by patients that were coming in because there was no adequate nursing care in the district, the Drayton Valley Chamber aof Commerce Chairman appointed a Committee to investigate the matter.

The committee was composed of the Rev. Jim Strachen, Chief Constable Al. Miles and Lyt Krauter. The committee conducted an extensive survey of the area and found that there were almost a thousand persons over sixty years of age in the district served by Drayton Valley. Many of these are even now in need of Nursing Home care, and many more in the future will be in need of such service.

Following the compiling of the report a committee of Chamber of Commerce members and the committee met with the members of the Edmonton Rural Hospital Board. The delegation, composed of H. Pickup, A. Braden, W. Johanneson, E. Thompson, Bill Duserhoff and Don McKenzie reported that they had a number of hearings with the Board, in which they were very courteously received, and as the result of these meetings and admissions given to the Edmonton Rural Hospital Board, members of that Board came out to Drayton Valley to look over the situation.

Chamber of Commerce A. Braden has spent several days in Edmonton looking over Nursing Homes and talking to contractors, in addition to officials of the Rural Hospital Auxiliary Board. Every assurance has been given that construction will be undertaken this summer on a sixty-six bed Nursing Home in Drayton Valley. Three or four sites are presently under negotiation.

On Saturday, April 17th., Dr. Easton and Mr Ralph Ulverland met with local Municipal Hospital Board members, doctors and members of the Drayton Valley and District Chamber of Commerce relating to the establishment of a Nursing Home for this area. In the above picture, left to right, they are: Mr Ulverland, constructor, Dr. Easton, His Worship Mayor H. Pickup, centre row. Left to r. Rev. J. Strachan, Don McKenzie, Lyt Krauter and Al. Braden. Back row: Dr. H. Maclure and Dr. David Lewis. The group are standing at the local hospital entrance.

CURLING CLUB TO PLAN GALA SEASON CLOSEOUT

ROCK-A-RAMA 65 BE GALA AFFAIR: It will be a typical night club atmosphere at the Drayton Valley Curling Club on the evening of May 27, with a Smorgasbord Banquet at 6:00, entertainment, refreshments, dancing to begin at 9:00 to the music stylings of Noris Pacey and orchestra plus a dynamic female vocalist.

During the course of the Banquet the 200 Car Club will be making the official draw for the Car and Consolation prize for every 25th ticket drawn. The Ladies Curling Club will also be giving away a new Refrigerator - Deep Freeze during the evening, time to be announced by the Ladies Curling Club.

There will be table settings for groups of four and eight, we would urge you to get you tickets early as there is a limited number and over half the tickets have been sold. You can get tickets for the Evening from any member of the Curling Club executive or you can pick them up at NORM'S NEWS AND CONFECTIONARY.

LIONS PLAN OUTDOOR CARNIVAL

A regular meeting of the Dra on Valley Lions Club was held in the Cardium Room on April 8, 1965.

Total attendance was indicated when some twenty-odd members from Thorsby paid a welcomed and surprized visit.

The Bingo Committee of Lions Zone 18 report that bingo card sales are very poor and slow. Card sales will have to increase tremendously in the next few weeks if the bingo is to prove a success. We urge you to help out by purchasing your bingo cards now. Cards are available from any Lions member or from one of the various merchants in town.

A letter from the India Lion Club confirmed necessary "go ahead" procedures for the 10 year old boys operation. In February 1965, the Drayton Valley Lions Club paid a sum of $30.00 towards a total of $3,000.00 that was required to send this boy from India to New York for a necessary surgical operation. The India Lions Club matched this $3,000.00 and donated it to Care of India. This project, spearheaded by the Lethbridge Lions was undertaken by District 37.

Drayton Valley Lions are holding a gigantic Outdoor Carnival on June 18 and 19, inc

(Cont. on Page 3, Col. 4)

Nursing Week April 19 - 24

Spring is Here??

HAS SPRING REALLY SPRUNG? PETE JACOBS. OF JACOBS PHOTO STUDIO wandered around town recently, just before this latest outpouring of winter, and took some Spring pictures. WHO IS THIS NOSE-TO-GROUND MARBLE SHOOTER? The first one that arrives at Jacobs Studio with the answer will get ONE DOLLAR. (Banner newsboys excepted) Other spring pics by Jacobs are on page 10. How many can you identify (no money involved, of course)

Baseball Meeting

BASEBALL MEETING - An organizational meeting for Intermediate baseball will be held in the Recreation Office, Thursday evening, April 22 at 9:00 p.m. All those interested in playing, coaching, or taking part in anyphase of the promotion of Intermediate baseball in Drayton Valley this summer are asked to attend, this meeting. It is expected that the local team will be competing in the Northwest Baseball League again this season. This league is composed of teams from Edson, Jasper, and Hinton, among others and features a fine calibre of baseball.

The Hawks in Six

SAYS PROGNOSTICATOR MIKE GORMLEY, ED.'s NOTE: If you don't agree with him, argue with him, not ME:

The powerful Chicago Black Hawks led by the "Golden Hawk" Bobby Hull came through in fine style to eliminate the game and determinde Detroit Red Wings and reach the Stanley Cup Finals. Now the Hawks will be on the same rink for even games or less with the young and fast-skating Montreal Canadians. If Hall keeps up the pace he set against Detroit and the rest of the team keep playing that steady pressurized type of hockey of which they are capable, will then the "Battered Mug" should go the Chicago in six games or less.

Ode to the End of Curling Season

The Stranger

Who is the stranger. Mother Dear?
Look, he knows us; ain't he queer?
Hush, my son, don't talk so wild
That's your Father, dearest child.

That's my father? Not at all;
Daddy died - away last fall.
Daddy didn't die, you dub,
Daddy joined the Curling Club.

But the Club has closed so he
Has nowhere else to go, you see.
Nowhere else that he can roam,
And so Daddy's coming home.

Kiss him, he won't bite you child,
All them curling guys look wild;
